## 1. Introduction

By using Kuizto, you agree to these terms. Please read them carefully before using our services.

## 2. Account Use

- You are responsible for the security of your account and its use.

## 3. Intellectual Property

- **App Content:** Content provided by Kuizto, other than user-generated content, is owned by us and protected by copyright laws. This includes the design, system, software, and all other material provided by the app.
- **User Content:**
  - **Original Content:** Users can create recipes from scratch. You retain ownership of the content you create. By posting content on Kuizto, you grant us a license to use and display it within the app and for related marketing activities. Users are responsible for ensuring they have the necessary rights to use and share this content.
  - **Imported Content:** When importing recipes from external sources, Kuizto ensures compliance with copyright laws by:

- Entirely rewriting the recipes to provide a fresh take, while giving clear attribution to the original source. For example, a message might read: "Entirely rewritten with a fresh take, inspired by an original recipe from [source]. Click here to see the full recipe and discover more culinary creations from them!"
  - Using only images obtained from the meta image tag, similar to how content is shared on platforms like Twitter, Instagram, or LinkedIn.
  - We encourage users to respect intellectual property rights and credit original sources where applicable.
- **Collaboration with Food Creators:**
  - Kuizto actively collaborates with a diverse range of food creators. We pride ourselves on supporting these creators by providing them with a platform for exposure and passive income opportunities through our Creator Ambassador Program.
- **DMCA and Australian Copyright Act Compliance:**
  - We comply with the DMCA and the Australian Copyright Act's safe harbor provisions. We have implemented a policy to address notices of copyright infringement, which includes a notice-and-takedown procedure.
  - If you believe that your copyright has been infringed on our platform, please contact us at [fairuse@kuizto.co](mailto:fairuse@kuizto.co).
  - Users are responsible for ensuring they do not infringe on the intellectual property rights of others when uploading or importing content.

## 4. Subscriptions and Payments

- Kuizto offers various subscription plans. We process payments through Lemon Squeezy, which may require additional information to complete transactions. Fees are non-refundable, except as required by law.

## 5. Termination

We reserve the right to terminate or suspend your access to our services without prior notice for violations of these terms, including copyright

infringement.

## **6. Governing Law**
